

Technical Bulletin

Subject: VAG 1551 Scan Tool Printout

Group: 01

Number: 95-02

Model(s): All

Date: Apr. 11, 1995

When using the VAG 1551 Scan Tool to diagnose a customer complaint, always attach a copy of the Scan Tool printout to the repair order and keep with the vehicle service file.

To avoid possible delays in the event a component is requested by the Warranty Parts Test Center, always make sure a copy of the VAG 1551 Scan Tool printout is securely attached to the warranty parts tag prior to shipping.

Note:

Always attach copies (only) of 1551 Scan Tool printouts (original printouts fade with age).
